Four skilled players and singers combine with Taylor’s powerhouse vocals and boundless energy to deliver a magical mix of classic rock (Beatles, Queen, AC/DC, Fleetwood Mac) to contemporary hits (Dua Lipa, Lady Gaga, Bruno Mars) in a high-energy, hugely entertaining, and FUN show.

What began as one-off gigs at Toronto institutions Smokeshow BBQ & Brew in midtown (formerly the venerable Chik’n’Deli) and Timothy’s Pub in Etobicoke saw both club owners immediately book us into monthly residencies.

Private engagements have included a cottage country lakeside wedding, a hockey camp party, a large business celebrating its staff and key clients, and The Markland Wood Golf & Country Club’s 60th anniversary.

The summer of 2023 saw our festival debut in front of 2,000 people at the TD Newmarket Music Series.

Our social media presence on Facebook and Instagram continues to grow, and the feedback has been tremendous:

- “Your band was fantastic!” – John Taylor, Mayor of Newmarket
- “Taylor has a great voice and worked with the crowd.”
- “The Taylor Made Band sang everything from Billy Idol, Queen, to AC/DC!”
- “The band rocks – you guys were awesome! Taylor definitely has an amazing voice and tons of energy!”
- “Super band, you guys are amazing, love your energy and stage presence!”

We are now exploring exciting new opportunities for 2024. Let’s discuss how the Taylor Made Band can rock your world!
