

Four skilled players and singers combine with Taylor's powerhouse vocals and boundless energy to deliver a magic mix of classic rock (Queen, AC/DC, Fleetwood Mac) to contemporary hits (The Weeknd, Bruno Mars, Dua Lipa) in a high energy, hugely entertaining and FUN show!

"The client and all attendees LOVED TMB and are already talking about 2027. You and John were fantastic to work with – thank you again!"

Corporate/special events are also a specialty:

TMB has been the featured entertainment at milestones including fundraisers, awards dinners and customer/employee appreciation events, earning a reputation among organizers as highly professional, easy-to-work-with performers who deliver a great time, every time.

Regular performers at some of the GTA's premier live venues (including Drums N Flats, The Edge Lounge and a monthly residency at Timothy's Pub in Etobicoke), the Taylor Made Band has also rocked large outdoor summer music festivals in Newmarket, East Gwillimbury and Kawartha Lakes.
